

Brad Cao

Education

Centennial High School, Ellicott City, Maryland

Fall 2022 – Spring 2026

GPA: 4.0 (Unweighted), 4.88 (Weighted)

Columbia University, New York, New York

Fall 2026 – Spring 2030 (Anticipated)

Bachelor of Arts in **Computer Science & Mathematics**

Grade: Incoming Freshmen

Relevant Experience

Research Assistant at Duke University

April 2025 – Current

Trained and developed LLMs to systemically identify and quantify instances of inter-network disparagement with Dr. Phillip Napoli.

Data Intern at Mercor

April 2025 – Current

Engineered structured evaluation frameworks to extract and formalize domain expertise from subject-matter experts into RLHF-compatible annotation schemas for LLM fine-tuning pipelines

Co-founder of MyCureHope

June 2023-Current

Co-developed open source disease treatment database; 33k users, 78 countries; oversee search build tech development. Built using Django, PostgreSQL, HTML, JavaScript, TailwindCSS, deployed via Nginx and Unicorn (Ubuntu/Linux backend).

Research Intern at University of Maryland, Baltimore

June 2023 – September 2025

Co-published with Professor Allison Dunn as first author on a study developing a machine-learning model to predict ADHD-related patient safety risks

Awards and Honors

Top Poster Award (American Society Clinical Pharmacology & Therapeutics)

May 2025

National Champion, FBLA National Leadership Conference (Data Analysis)

July 2024

1st Team USA Fencing All-Academic

2024

USACO Silver

2026

Congressional Citation Awardee

2025

International History Olympiad Qualifier

2023
